

REQUIRING IMMEDIATE ACTION

October Mountain Products M-100 Digital Bow Scale Product Return Process

Item #: 37313

The most recent shipment of OMP M-100 Digital Bow Scales were not produced to proper manufacturer specifications, and should be considered defective. Thus, October Mountain Products, Inc. is requesting the immediate return of each OMP M-100 Digital Bow Scale that meets the following criteria.

If you are in possession of an OMP M-100 Digital Bow Scale that meets the following criteria, sales MUST cease immediately, as the product could fail and become dangerous.

Provided below, are markings that aid in identifying a defective OMP M-100 Digital Bow Scale from a non-defective OMP M-100 Digital Bow Scale.

Please contact the October Mountain Products Customer Service department for return arrangement immediately.

Phone: 717-492-8020
